## **Instructions**

### **Non-profit Sponsor**

All services for Senior Veterans and/or their widows are delivered by a local 501-c(3). This may be through local churches, civic groups, social aid groups, VFW, American Legion and others. Funds provided by CVSG will be issued to the local group. Our goal is to provide assistance to Senior Veterans and their widows through local groups using local volunteers and contractors.

The non-profit sponsor will identify a member of their group to coordinate the efforts of the local groups, and communicate with the staff of Carolina Veterans Support Group. This contact must review and return the Senior Veteran Military Form DD-214, as well as a military ID or VA Card. The contact will confirm the qualifications of the Senior Veteran to receive assistance with the participation of CVSG by placing their signature in the appropriate place.

### **Senior Veteran or Widow**

We have included the Widow of a Senior Veteran because of two reasons:

1. She has spent her life devoted to the care of her husband, and
2. On the date of the Senior Veterans death, she receives a meager support from the VA from that date forward.

The basic qualifications are a copy of the Veterans DD-214 witnessed by the Non-profit Sponsor and verification of ownership of the Senior Veteran's residence.
